Pass Longer-terms Bill. The senate also passed the Volpp

bill providing two-year representatives and four-year senators, with a salary of \$600 a session for all members of the legislature. Wants New State Officers.

In a special message this morning the governor advocated the establishment of a new state officer, a deputy inspector of the construction of public buildings, who is to prevent the recurrence of such conditions in public Norfolk by the house and senate committees on institutions and asylums. The present law provides that the state architect, George A. Berlinghoff, shall supervise the construction of buildings for which he draws the plans, but in the opinion of several committees he has not been doing this work, and the governor's remedy is to appoint a new officer who shall work under the governor, bearing the title of deputy inspector and drawing a salary of \$2,500, with \$4,500 for traveling expenses. In the senate the governor's bill was referred to a special committee consisting of Tibbets, Banning and Selleck, who will see to its presentation to the senate.

Sunday Baseball Bill Passed. By a vote of 54 to 41 the Nebraska house of representatives passed senate file No. 36 today, providing for the playing of Sunday baseball in such communities as do not forbid it by action of the local boards. The bill had previously passed the senate. Some doubt is expressed as to the possibility of the bill receiving the signature deserved to be hanged for his crimes. of Governor Aldrich.

READY TO TALK ABOUT PEACE

Many of the Mexicans Are Small Farmers and Work on the Farm Demands Their Attention-Are Gathering East of Chihuahua.

El Paso, Tex., March 30.-All available insurrectos in the field in northern Mexico are being concentrated east of Chihuahua, according to news received here. It is believed by insurrecto sympathizers that the purpose of this move is to allow those who have fought for the insurrecto cause to have some part in the consideration of peace terms. That there has been no recent fighting around Chihuahua is regarded as indicating that the men in the field pelieve the selection of the new cabinet an evidence of good faith upon the part of the government preparatory to peace negotiations.

However, the concentration of Madero's forces near Chihuahua would make possible an immediate movement against that city, should nego-
